## EDUCATION

### Kathmandu Model Secondary School

*High School major in Computer Science*

Kathmandu, Nepal

*Aug. 2021 – May 2023*

### University of Texas at Arlington

*Bachelor in Computer Science*

Arlington, TX

*Aug. 2024 – Present*

## EXPERIENCE

### Vice Leader- Robotics Club

*Kathmandu Model Secondary School*

June 2022 – May 2023

*Kathmandu, Nepal*

- Led a team of 3 members in designing, building, and programming robots for competitions.
- Assisted in planning and organizing club activities and robotics projects.
- Explored ways to visualize GitHub collaboration in a classroom setting

## PROJECTS

### To-do list | *React, Tailwind CSS, HTML*

Feb 2025

- Built a simple and interactive task management app to help users organize their tasks efficiently.
- Implemented state management to add, edit and delete tasks dynamically
- Designed an intuitive user-friendly UI using Tailwind CSS for modern styling.
- Managed state effectively in React to ensure smooth task updates.

### Netflix Clone | *HTML, CSS*

May 2018 – May 2020

- Designed a static replica of Netflix's homepage using HTML and CSS.
- Created a login box that asks for an email and password (static).
- Focused on layout structuring and UI styling to match Netflix's design.
- Used flexbox and grid for proper content alignment and responsiveness.

### News App | *React, CSS, API Integration*

May 2025

- Built a responsive news application that fetches real-time news from an external API.
- Integrated API endpoints to fetch the latest articles across multiple categories (e.g., sports, technology, health).
- Implemented a dark mode toggle feature for better user accessibility and visual comfort.
- Styled the application using custom CSS to create an intuitive and modern user interface.

## AWARDS & HONORS

### Dean's List

- Awarded for outstanding academic performance in high school.

### 2nd Place – Debate Competition

Senior Year, High School

- Recognized for strong argumentation and public speaking skills.

### 2nd Place – Table Tennis Competition

Senior Year, High School

- Earned a silver medal in an inter-school sports event.
